**Mountain View Colts and Didsbury to Host 2027 Hockey Alberta Junior B
Provincial Championships – April 7-11, 2027.**

DIDSBURY, AB - The Mountain View Colts Jr. Hockey Club is proud to announce that Didsbury has been awarded the opportunity to host the 2027 Hockey Alberta Junior B Provincial Championships.

The event will bring championship-level Junior B hockey to the Didsbury Memorial Complex and provide an opportunity for the community, local businesses, volunteers, and hockey supporters to come together in support of one of Alberta's premier amateur hockey events.

The successful bid highlighted Didsbury's strong hockey culture, the quality of the Didsbury Memorial Complex, and the community support needed to deliver a first-class provincial championship event. Organizers believe the tournament will be an opportunity not only to showcase high-level Junior B hockey, but also to highlight the community and create a memorable experience for teams, families, and fans from across Alberta.

Further details, including ways for the community to get involved, will be shared as planning progresses. For the latest information please visit our website www.mvcolts.ca
